

## BIO-DATA

### DR. ASIT BARAN MAJUMDER

Designation : Associate Professor

Date of Joining : 03.02.1993

Education : M.Sc., M .Phil., Ph.D.

Subject : Mathematics

Area of Specialization : Fluid Mechanics

Contact Details : [abmvmmmaths@gmail.com](mailto:abmvmmmaths@gmail.com)

Mobile No. 9475688799

Teaching Interest :: Applied Mathematics – Algebra, Vector, L.P.P. etc.

### Faculty Development Programme

#### A) List of Orientation & Refresher Course Attained

Sl. No.	Name of the Course/Summer School	Place	Year	Sponsoring Agency
1	Orientation Course	A.S.C., University of Calcutta	1997	UGC
2	Orientation Course	A.S.C., University of Calcutta	1998	UGC
3	Refresher Course	A.S.C., University of Calcutta	1999	UGC
4	Refresher Course	A.S.C., University of Calcutta	2000	UGC
5	Refresher Course	A.S.C., University of Calcutta	2001	UGC
6	Refresher Course	A.S.C., University of	2003	UGC

#### B) List of Paper Presented :

Sl. No.	Title of the Paper presented	Name of the Journal	Page No.	Year of Publication
1	On Trilateral generating functions of modified Laguerre polynomials	Journal of Natural and Physical Sciences	143 -146	1991-1994

2	Some generating functions of Laguerre polynomials	Ramanujan Math Society	195-199	1995
3	Some generating functions of Bessel polynomials by Group-Theoretic Method	The Mathematics Students	226-230	1995
4	On Trilateral generating functions of Gegenbauer polynomials	Bull. Cal. Math. Society	449-452	1995
5	On Mixed Trilateral generating functions	Bull. Cal. Math. Society	103-106	1995
6	On Bilateral generating functions - II	Rev. Acad. Canar.Cienc.	111-115	1995
7	Some generating functions of Hypergeometric polynomials	Ranchi University Mathematical Journal	59-61	1996
8	On Bilateral generating functions - I	Bull. Cal. Math. Society	465-468	1997
9	On Trilateral generating Relations of modified Laguerre polynomials	Indian Journal of Theoretical Physics	72-78	1999
10	Some generating functions of Modified Laguerre polynomials by Group-Theoretic Method	The Mathematics Education	41-45	2000
